

Welcome to Xplornet Home Phone!

Haven't completed the activation process yet?

The **3** easy steps below will guide you through how to confirm your account information so you can start using your new Home Phone service.

The screenshot shows the Xplornet login page. At the top is the Xplornet logo. Below it, there's a login form with fields for 'User Name / Nom d'utilisateur' and 'Password / Mot de Passe', and an 'ENTER / ENTRER' button. There are also links for 'Forgot your password?' and 'Forgot your user name?'. At the bottom, there's a link for 'Need an overview of how MyXplornet works?'.

1 Go to www.myxplornet.com and enter your User Name and Password to login.

The screenshot shows the 'Emergency 911 Address' form. It includes fields for 'Street Number', 'Suffix', 'Street Name', 'Unit Type', 'City', 'Province', and 'Postal Code'. There are also dropdown menus for 'Pre-Directional' and 'Post Directional', both set to 'None'. At the bottom, there are two checkboxes: 'I accept Xplornet's Home Phone Terms & Conditions and Emergency 911 limitations.' and 'I decline Xplornet's Home Phone Terms & Conditions and Emergency 911 limitations.'. A 'Save & Continue' button is at the bottom right.

2 Enter your Emergency 911 address, review Terms & Conditions (linked), and click the box to accept. Then click **Save & Continue**.

The screenshot shows the 'Home Phone Activation' page. It has a heading 'Home Phone Activation' and a sub-heading 'Please provide your Xplornet Home Phone Gateway Hub's MAC address and confirm that we have the correct contact and Home Phone plan details.' Below this, there's a form for 'Gateway Hub Information' with a 'MAC Address' field containing '0E:22:34:94:74:73'. There's also a section for 'Contact Information and Plan Details' with address, phone number, and calling plan information. An 'Activate' button is at the bottom.

3 Enter your Xplornet Hub MAC address (located on the back of the device), review your plan details and click **Activate**.

The screenshot shows the 'Welcome to Xplornet' page. It features the Xplornet logo and navigation links like 'Who we are', 'Promotions', 'Blog', 'Contact us', and 'Search'. Below the navigation, there are links for 'Why Choose Xplornet?', 'Our Internet Packages', and 'Support'. The main heading is 'Welcome to Xplornet'. Below that, there's a 'Getting started' section with a list of links: 'Check out our quickstart articles in our Support section', 'An introduction to your Xplornet Invoice', 'Everything you need to know about streaming video', and 'Learn how to manage your account, track your Internet usage and view your statements using MyXplornet'.

Your Xplornet Home Phone service is now ready for you to use!
